The CATESOL 2009 Conference Committee regrets that the following sessions were accidentally omitted from the Program Book.

### FRIDAY

#### ***Wiki Wacky Whoo-Hoo!: Using Wikis for Intercampus Collaboration***

Richard Villagomez, DeVry University

**Demonstration**

**TELL**

**11:00 – 11:45 a.m.**

**Convention Center 103**

In this session, participants will learn how university faculty and staff from campuses across California use a free wiki to collaboratively address students' ESL/EFL issues. Collaborators with resources utilize the wiki's online functions to share best practices, provide services, and create material for campuses with few or no resources.

### FRIDAY

#### ***INTERACTIVITY Makes Learning Fun. ENGAGE Students with TECHNOLOGY!***

David Scoduto, EnglishMeeting.com, Glendale College

**Demonstration**

**TELL**

**11:00 – 11:45 a.m.**

**Hilton San Gabriel**

Presenter demonstrates how student response systems can greatly improve the "traditional" ESL learning environment. Combining PowerPoint with student remotes (clickers), produces a new paradigm in education-many benefits including: shy students tool, learning games, quick polling of student comprehension, easy review, quizzing-from easy to complex. Don't miss this cutting edge technology!

### FRIDAY

#### ***Workplace ESL: Language Learning on the Frontlines***

Amy Van Gundy, San Jose State University

**Paper**

**TEW**

**11:00 – 11:45 a.m.**

**Hilton Pasadena I**

In this session, attendees will gain a broader perspective on workplace ESL. Current literature on the

topic will be reviewed, focusing on important considerations and the need to balance its commercial and educational interests. The presenter will offer several areas in need of additional research.

### FRIDAY

#### ***Hollywood – Here We Come!***

Suzanne Ludlum, Oakland Adult & Career Education

**Workshop**

**TELL**

**2:30 – 4:00 p.m.**

**Convention Center 211A**

Learn how to use Windows Movie Maker to adapt movies from Discovery Education Streaming or other streaming source to align with your students' ESL/ELD level.

### FRIDAY

#### ***Technology Enhanced Language Learning Interest Group (TELL-IG) Featured Session Using Technology to Encourage Holistic Learner Growth: Blogs vs. Wikis***

Tatiana Roganova, Hayward Adult School, TEW-IG Coordinator

Francisca Wentworth, Jefferson Adult School

Elizabeth Dinamarca Clarke, MiraCosta College

Tina Sander

Martha Rankin

Barry Bakin, LAUSD

Susan Gaer, Santa Ana College School of Continuing Education

**Panel**

**TELL**

**4:00 – 5:15 p.m.**

**Convention Center 207**

The Technology-Enhance Language Learning Interest Group hosts a panel to report on the use of technology that helps to recognize both learners and teachers as multifaceted individuals and addresses their totality. The panel will discuss the usage of blogs and wikis used as powerful tools to nurture holistic learner growth.
